## Technology Strategic Plan

### 2014 - 2017

2014 – 2015	2015 – 2016	2016 - 2017
<ul style="list-style-type: none"> <li>• Professional development for staff.</li> <li>• Create a data collection system to support the five-year strategic plan.</li> <li>• Implement new Archdiocesan standardized testing system.</li> <li>• Move school website to the new eCatholic version 5.</li> <li>• Research and evaluate teacher laptop replacements.</li> <li>• Begin research and evaluation of 1:1 iPad program.</li> <li>• Research and evaluate online student information systems – do we want to stay with PowerSchool?</li> </ul>	<ul style="list-style-type: none"> <li>• Professional development for staff.</li> <li>• Implement new teacher laptops.</li> <li>• Complete research and evaluation of 1:1 iPad program.               <ul style="list-style-type: none"> <li>○ Decision point</li> </ul> </li> <li>• Research/implement new technology tools for students.</li> <li>• Research/implement new projectors in classrooms.</li> <li>• Research/implement electronic textbooks.</li> <li>• Complete research on online student information systems – do we want to stay with PowerSchool?               <ul style="list-style-type: none"> <li>○ Decision point.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Professional development for staff.</li> <li>• Research/implement new technology tools for students.               <ul style="list-style-type: none"> <li>○ Decision point.</li> <li>○ Implementation of electronic textbooks.</li> </ul> </li> <li>• Potential implementation of new online student information system.</li> </ul>

**Considerations:**

- Funding – funding options to include auction paddle bid, grants, potential partnerships and other resources
- Refresh plan – technology implementation plan must include a refresh cycle for staff and student computers.
