We need your help! Join us as an Elf for Santa's Treasures 2015!

Open to students in Grades 6-12, the Santa's Treasures Holiday Bazaar Elf Program is an outlet for young people to volunteer their time in the community.

Elves will work in a variety of roles, such as assisting vendors with set up and clean up of booths, food delivery to vendors, manning the door prize table, selling raffle tickets, and more.

Shifts run in overlapping 2-hour shifts, and students may sign up for as many shifts as they like.

Elves receive a certificate documenting their hours and a free meal from Mrs. Claus' Kitchen.

For more information, please contact Logan Lanz, Chair-in-Charge of Vendors, at 971-570-8875 or santastreasures@gmail.com.
