AUTHORIZATION FOR TREATMENT OF MINORS

In case of illness, accident, or emergency to my children, I request and authorize Christ the King Catholic School or day-care facility to call 911 for an ambulance and I authorize medical personnel to provide any medical treatment deemed necessary. It is understood that this authorization is given in advance of any specific diagnosis or required treatment and is given to encourage hospital physicians to exercise their best judgment as to the requirements of such diagnosis and treatment in those instances when a parent of the minor is unavailable to provide the necessary consent to treatment. It is understood that effort shall be made to contact parents prior to rendering treatment to the patient, but that none of the above treatment will be withheld if the parents cannot be reached. In a life-threatening situation, treatment will be initiated immediately without further permission.

This authorization is valid February 1, 2016 through June 30, 2017.
