

It's Coming...

With the school year coming to an end, preparations are being made for FIELD DAY. I am looking for volunteers to assist with this event. The 7th graders are organizing the activities and will lead each group through the different activities. Your job will be to oversee a specific activity and help keep students on task. If any behavior issues should arise, you will be there to assist and get it taken care of.

Field day will take place on FRIDAY, June 16, from approximately 1:20-2:30. Students in grades 1-6 will be participating. Each group will be assigned a beginning point and will need to remain at that station until the whistle blows to rotate to the next station.

If you are ready for the challenge and would like to earn some share hours, please fill out the form below and turn it in to the office as soon as possible. I appreciate all the work you do for and thank you in advance for your help with this event.

Thanks,
