

**BACK BY POPULAR DEMAND.....**  
**CTK Summer Reading "Olympics"**  
**June 22<sup>th</sup> -September 5, 2017**  
**For all CTK - K-8 students!**

*Any* student can compete for a Gold, Silver or Bronze medal for reading, awarded at one of our first Assemblies in the fall.

**The program works like this.** Students read books from a list on the website [www.bookadventure.com](http://www.bookadventure.com). At the end of the book, the student goes online (with parent help/oversight) to the website and takes the comprehension 'quiz' for that title. Each successfully passed quiz between **June 22th and Sept. 5th** adds one book to the child's summer reading record. *After Sept 5th, the child brings the printout of their record to the CTK Library...and the books are added up!* Even students who only read one book can use their quiz to earn a participation ribbon!

**Some Rules for the Summer Reading Program**

- Passed quizzes will 'count' if the book is listed at or above the student's grade level (in 2016-2017), or no more than one grade level below the student's grade in 2016-2017.
- Books count if they are read to the student, have been read in the past (if not more than 1 grade level below) or if they are heard on audiotape *provided the student passes the quiz for the book.* Parents may read the quiz questions to a younger child and record the child's answers for them.
- Quizzes that are not passed the first time may be taken again if the student is given another chance to reread parts of the book or understand it better after talking it over with a parent. To earn:
  - **A Gold Medal:** Grades K-3 must read 50 books! (1 ev. 1  $\frac{1}{2}$  days)  
Grades 4-8 must read 15 books! (1 ev. 5 days)
  - **A Silver Medal:** Grades K-3 must read 40-49 books! (1 ev/ 2 days)  
Grades 4-8 must read 12-14 books! (1 ev. 6 days)
  - **A Bronze Medal:** Grades K-3 must read 30-39 books! (1 ev. 2  $\frac{1}{2}$  days)  
Grades 4-8 must read 10-11 books! (1 ev. 7-8 days)

**Students: Start reading right away so you can pass your first quiz on June 22nd!**

**The Reading Olympics end on Sept. 5th, 2017**
