What are the guidelines for dropping off and picking up students?

Before School: Extended Care opens at 7:00am in the gym. All students arriving prior to 8:00 am go directly to the gym, students are not allowed to wait outside the school unsupervised. Students are released from the gym at 8:00 am and are escorted into the school. Children can be dropped off using the Church parking lot or the north lot (off Michael Drive). When dropping off children in the Church parking lot please do not drive up to the orange cones and let children out - this can be dangerous for others. When dropping off children in the north lot (off Michael Drive), please use the drive-through lanes near the Gym, or park on the far side and walk your child across in the crosswalk. After-School: When picking up students in K-3 without older siblings, please park by the Church and walk to the outside 2nd grade door. When picking up students in 4-8 please use the drive-through lanes in the north lot, or park on the far side and wait for your students to cross in the crosswalk (Older siblings will pick up K-3 siblings in their classrooms and escort them to the parking lot). Students not picked up by 3:25 pm will be checked into Extended Care. Students participating in after-school activities will be picked up in their classroom at 3:10 pm and escorted to the activity.

What are share hours and how do I log my share hours?

Volunteer share hours significantly help offset school costs. Examples of qualifying share hours are: participation in classroom activities, fundraising activities, serving on school committees, assisting with office work, helping with CYO, participating in any Christ the King Parish ministries, etc. Each family is required to volunteer a minimum of thirty hours per school year (fifteen hours for single parent families). It is our recommendation that one half or 15 share hours (7.5 hours for single parent families) be completed and recorded in the Volunteer Share Hour Log by January 31st. All share hours must be complete by May 15th of the academic school year. Families will be billed for uncompleted or unrecorded hours at the rate of \$15.00 per hour on their June Smart Tuition statement.

The share hour log is located on the coffee table in the main office. Parents may record their hours in person or email the school office at office@ctk.pvt.k12.or.us

What are service hours and how are they recorded?

As a member of a Christian community, part of our commitment to live the Gospel message is to serve others. In order to fulfill this Gospel mission and to prepare our upper grade students for future leadership challenges and opportunities, the following criteria for service has been established:

- Students in Grade 5 – fifteen hours of service
- Students in Grade 6 – twenty hours of service
- Students in Grade 7 – twenty-five hours of service
- Students in Grade 8 – thirty hours of service

The types of service opportunities to satisfy these requirements may vary. In order for a project to qualify, students may not receive any compensation or award, except for the goodwill they create by being of service to others. If your child is active in a ministry of the parish (altar server, choir, Vacation Bible School, etc.), these hours can satisfy the service requirement. Students are responsible for tracking and submitting their service hours to: servicehours@ctk.pvt.k12.or.us The deadline for submission of service hours to be counted for any service award is May 1st.

Why does the school have a no nut policy?

A nut allergy can be a life-threatening condition. In order to ensure a safe and worry-free campus for all of our students, the school continues to be nut-free. No peanut or tree-nut products are allowed in the building. It is important for us all to understand that a child does not necessarily have to ingest or eat the food to which they are allergic. Rather they can be endangered if a classmate touches/eats peanuts or peanut products and later touches a surface that the allergic child comes into contact with. Products with labels that include wording similar to "processed in a facility that also process nuts" are OK to eat at school. Products with labels that include wording similar to "may contain nuts" should continue to be left at home. The guidelines, which includes snack suggestions, are posted on the school website.

The church generously donates 20% of its yearly offertory collections as mandated by archdiocesan policy. The Parish subsidy is approximately \$145,000 per year. The amount we receive to offset our operating costs will vary from year to year as a reflection of the overall total collected that year from our parish and school families at church. Right now, the parish subsidy offsets 9% of our operating budget. The more often we give to the church, the more our school benefits. Twenty cents of every dollar donated to Christ the King Church's offertory is donated back to our school.

Why is there a Family Fundraising Commitment?

We must raise approximately \$150,000 from fundraising to supplement tuition cost. The total cost to educate each student is approximately \$6,500 based on an enrollment of 240 students. Tuition covers approximately 80%, the Parish subsidy covers approximately 10%, and fundraising covers the remaining 10% of expenses. With every family contributing a minimum required amount, we can help assure an equal and fair distribution of our school’s fundraising needs.

What is the Family Fundraising Commitment and how can I meet it?

Each family is being asked to contribute \$600 for their yearly fundraising obligation, which helps to meet the total school fundraising responsibility. The \$600 family fundraising commitment only accounts for 2/3 of the total fundraising dollars necessary to meet the overall fundraising responsibility of the school. \$600 total fundraising commitment via a combination of the following opportunities:

- Spring Auction: 100% of in-kind services and auction procurement, 100% of free dress ticket purchases, 100% of support a student, 100% of the Paddle Bid, 50% of dinner tickets and sponsor tables, and 100% of purchases at the auction (including your guests) count toward the fundraising commitment;
- Winter Tuition Raffle: 70% of raffle ticket sales count toward the fundraising commitment.
- Fall Jog-a-Thon: 100% of money raised counts toward the fundraising commitment.
- Annual Fund: 100% of money donated to the school’s Annual Fund will count towards your fundraising commitment.
