

vocabulary quiz on Friday.

Math: We are wrapping up our rate/percent unit this week as students apply their ratio and rate knowledge to solve percent problems. Students will have a unit test next week. Students will be accessing their online textbook at:

<https://im.openupresources.org/6/students/index.html>.

They will find a glossary, explanation of concepts, and homework here.

Language Arts:

We will finish our Capitalization and Punctuation unit by learning how to write friendly letters home and addressing them. They will be mailed out the following week.

Social Studies: Turn in missing work by March 9.

Welcome back!! This week we will be wrapping up research and charting of the 2018 Winter Olympics!! Final Olympics assignment will be due Thursday March 1.

This trimester will have a larger focus on researching using databases and academic citations. Please ask your children about their learning and share your thoughts.

Make sure you have earbuds or headphones that stay at school.

Study Lab: We will check PowerSchool to see what work is missing and get those zeros taken care of!!

Students will be monitoring their SMART goal progress and creating new ones. We are beginning to learn ways to

problems. Students are learning to use visual tools to help them problem solve including: tables, double number lines, and tape diagrams. Students will be accessing their online textbook at:

<https://im.openupresources.org/7/students/index.html> They will find a glossary, explanation of concepts, and homework here.

Math B: We are wrapping up our study of angle relationships and then will transition into 3-D figures. We will investigate where the formulas for area and volume come from and will apply them to solve real-life problems.

Language Arts

The students have a major Capitalization and Punctuation test on Monday, February 26th.

Religion: We are finishing up our mini-unit on Lent. Students will have a quiz on Tuesday February 27th. We will continue an in-class art project focusing on the Stations of the Cross. 7th grade has Mass on Friday March 9th.

Social Studies: Turn in missing work by March 9. Welcome back!! This week we will be wrapping up research and charting of the 2018 Winter Olympics. The 7th graders will launch into feudal and medieval Europe.

**This trimester will have a large focus on notetake and active reading! **Please ask your children about their learning and share your thoughts.

Make sure you have earbuds or headphones that stay at school.

Spanish:

- No quiz this week.
- Test March 12th. This is 40% of their grade.
- Continue working with telling time and classes when they are scheduled and what they need

Language Arts:

This week they will be working on their final project for *The Outsiders*. It is due March 1.

Study Lab- We will continue to learn self advocacy skills this week.

Science- We will having a vocabulary quiz over molecules Tuesday, and learning about what happens on a molecular level when we add energy (heat)

Health- Students will be learning about different things in the environment that can affect their health.

Religion- We are continuing our Lenten unit on the parts of Lord's prayer and how we can practice that in our own lives. 8th grade has Mass on Friday March 2nd.

Social Studies: Turn in missing work by March 9.

Welcome back!! Our goal this week is to break down the US Constitution and compare the structure of the federal government with the state governments. Students will start their first Congressional Hearing in small groups.

This trimester we will be focusing on debates and beginning to practice Congressional Hearing simulations. Please ask your children about their learning and share your thoughts.

Make sure you have earbuds or headphones that stay at school.

self-advocate.

Spanish:

- No quiz this week.
- Test March 12th. This is 40% of their grade.
- Keep working with seasons and weather.
- New vocabulary for telling time.

Students should be spending 15 minutes every day reviewing the material. I have created studies sets in quizlet which they can practice at home.

Just a reminder there are no retakes in Spanish.

for it.

Students must log in quizlet and review the set for that week. They have to do **flashcards, spelling and one more activity** of their choice. Each activity is 10 points so total each week they can earn 30 additional points. I have decided to start doing this to encourage them to study their vocabulary and be ready for quizzes and for the test.

This week set is about telling time. Just a reminder there are no retakes in Spanish.

Spanish:

- Quiz this week verbs with AR.
- Test March 12th. This is 40% of their grade.
- We will be starting to work a big unit where we incorporate everything we have learned and add new vocabulary. Unit is about Family. It will take 4-6 weeks.
- We will be analyzing memes according to our unit.

Students must log in quizlet and review the set for that week. They have to do **flashcards, spelling and one more activity** of their choice.

Each activity is 10 points so total each week they can earn 30 additional points.

I have decided to start doing this to encourage them to study their vocabulary and be ready for quizzes and for the test. This week set is about family.

Just a reminder there are no retakes in Spanish.
